Transport

Built to carry your world.

From running a business to enjoying your hobbies, transport is at the heart of what you do. Genuine Accessories for the Kia PV5 help you to carry more with confidence — with roof racks, roof galleries and rollers designed for heavy loads, outdoor gear and everyday tools.

Applicable

Roof rack, aluminium. Set of 3.

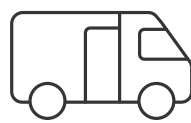

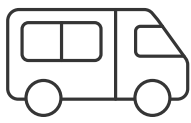

SW210ADE03ALS

Need additional storage flexibility beyond the generous cargo space of your PV5? You can add roof rack for convenient rooftop storage. Whether you're fitting a roof box or strapping a short ladder, or other long items directly to the rails — this solution adds valuable extra space.

All cargo and fixation methods shown are for illustrative purposes only.

Roof gallery.

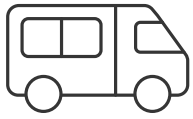

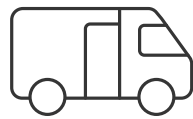

SW213ADE00H1

This roof gallery offers a highly flexible rooftop storage solution — making it easier to secure cargo and offering more protection while loading. It mounts directly onto the prepared fixing points of the vehicle. Aluminium side rails provide maximum strength, while aerodynamic cross bars help reduce wind noise and vibration.

Trunk partition.

SW150ADE00

Fitting perfectly between your PV5 passenger's rear seatback and the roof, this trunk partition is designed to keep a pet and cargo in the trunk area without restricting your rearward view.

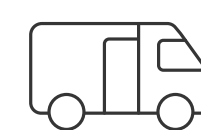

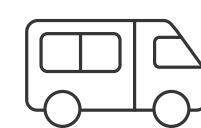

Protection

Ready for heavy-duty.

From protective panels to precision-fit floor mats and foils, protect your PV5 where it counts. These durable solutions shield your cabin and cargo area from wear, dirt and damage — and many are made with recycled or recyclable materials.

Wall panels, plywood.

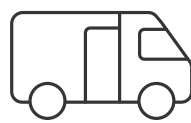

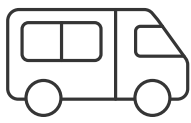

SW185ADE00W

To protect your interior cargo space from wear and tear, you can equip your PV5 Cargo with durable wall panels made of plywood or an extra-light polymer material — ensuring maximum protection for the long term.
